Company News

Michael and Scott DiFabion recently participated in the annual Providence Plantation Pineapple Dash 5K, representing DiFabion Remodeling in support of our community. This year's race benefitted Bright Blessings, a nonprofit dedicated to brightening the lives of needy children throughout the Charlotte Metro area. Although Michael and Scott didn't shatter any running records, they were proud to represent the DR family and offer continued support to our neighbors in the community! For more info and pictures of the race, check out the Providence Plantation 5K [Facebook](#) and the Bright Blessings [website](#).

PROJECT SPOTLIGHT

The existing laundry room was small and lacking in storage. The cabinetry was dark and the flooring needed updating. Our clients were looking to transform this space into something more than just a laundry room. Thus, the seed for a mudroom/drop zone was born!

A custom mudroom bench was accomplished within this space by stealing some space from a built-in in the adjacent family room. This bench station features closed drawer storage along the bottom, a

gorgeous wide-plank beadboard back, hooks for coats, and open shelving above for all your displaying needs. White cabinetry and a fun orange-and-blue porcelain floor tile brighten and bring personality to the space.

...with Jackie and Jaclyn

Our vision is to create a memorable brand experience while enhancing the quality of life for the clients we serve.

An exciting trend popping up on the design circuit is the addition of a mudroom/drop zone type of space within the home. Beautiful and highly functional, these built-ins fulfill numerous needs in one location. Giving you the ability to charge your phone, drop your bags and keys, and hide shoes and coats, the use for these seemingly simple furniture pieces is endless. We love what a little ingenuity can do to improve our clients' everyday lives, and we are often able to incorporate existing cabinetry within the new design just like the one shown.

OUR MISSION

Our mission at DiFabion Remodeling is to deliver an exceptional remodeling experience built on Trust, Vision, Pride, and Family, with the goal of exceeding our clients' expectations in every way.
